Reply to Office Action of December 29, 2006

11. (original) The system of claim 7, wherein said processor restricts access to the digital media content according to viewing times.
12. (currently amended) The system of claim 7, wherein said processor is programmed to permit the user of at least one of said main accounts~~an account holder of one of the main accounts~~ to selectively restrict access to at least one of said~~the~~ sub-accounts linked to the main account.
13. (previously presented) The system of claim 7, wherein said processor is adapted to generate a report of the spending habits of the users using the accounts.
14. (previously presented) The system of claim 7, wherein said processor is adapted to generate a report of the viewing habits of the users using the accounts.

Claims 15-18 (cancelled).

19. (currently amended) A computer-implemented method for creating an account for an account holder to view digital media content, the method comprising ~~the~~ steps of:

creating a record for a primary account to permit ~~the~~ a primary account holder to view the digital media content;

obtaining demographic information about the primary account holder;

creating a sub-account linked to the primary account to permit a sub-account holder to view digital media content;

obtaining demographic information about the sub-account holder;

selecting a form of payment;

imposing restrictions to access the digital media content to at least one of the primary account and the sub-account;

providing an option for the primary account to control access of the digital media content by the primary account and the sub-account linked to the primary account, ~~the digital media content accessible by the linked sub-account not being limited to a subset of the digital media content accessible by the primary account;~~ and

assigning an identifier to the primary account and the sub-account; and

Application No. 09/921,107
Amendment dated October 25, 2007
Reply to Office Action of December 29, 2006

making available the digital media content to the primary account based on the demographic information of the primary account holder and to the sub-account based on the demographic information of the sub-account holder.

20. (currently amended) The method of claim 19, wherein said ~~step of imposing~~ restrictions includes ~~the sub-step of imposing~~ restrictions selectively among the primary account and the sub-account.
21. (currently amended) The method of claim 19, wherein said ~~step of imposing~~ restrictions on the sub-account is performed by the primary account holder of the primary account.

Claim 22 (cancelled).

23. (currently amended) The method of claim 19, wherein said ~~step of imposing~~ restrictions includes restricting the amount ~~an~~ the primary account holder and the sub-account holder can spend.
24. (currently amended) The method of claim 19, wherein said ~~step of imposing~~ restrictions includes restricting the type of content accessible to the primary ~~an~~ account holder and the sub-account holder.
25. (currently amended) The method of claim 19, wherein said ~~step of imposing~~ restrictions includes restricting the viewing times during which ~~an~~ the primary account holder and the sub-account holder can view content.
26. (currently amended) The method of claim 19, wherein said ~~step of imposing~~ restrictions includes restricting the content accessible to ~~an~~ the primary account holder and the sub-account holder based on a rating of the content.
27. (currently amended) The method of claim 19, further comprising ~~the step of~~ generating a report of account activity.

Claims 28-31 (cancelled).

32. (previously presented) The system of claim 8, wherein said spending limit is imposed on a time-based value.
33. (previously presented) The system of claim 9, wherein the type of content is based on a genre of at least one of video and audio media.
34. (currently amended) The system of claim 7, wherein the digital media content is offered through a subscription service, the user of at least one of said account

Application No. 09/921,107
Amendment dated October 25, 2007
Reply to Office Action of December 29, 2006

holders main accounts and the user of at least one of said sub-accounts being a subscriber to said subscription service.

35. (previously presented) The system of claim 34, wherein said subscriber is a commercial entity.

Claims 36 and 37 (cancelled).
